SAN DIEGO EXCURSION

It has been a couple years since our last journey to the ocean shores of San Diego. Join us for a relaxing private car trip to the laid back life style of Southern California. The tourist opportunities abound with the museums and Sea World at Balboa Park; the Maritime museum and the USS Midway on the waterfront. Fine dining options abound with Little Italy just up the tracks; the Gaslight District and Seaport village are also close by. Always interesting is the Harbor cruise with the opportunity to see which Navy ships are in port. A trip out to Point Loma to visit the light house museum should be on everyone's list. Travel around the area is as easy as boarding the Red street cars right at the depot where we are parked.
