

# 2017 MUSEUM DONATION FORM

## Sugar Beet Car Acquisition Fund

This is a unique opportunity to contribute to the Museum's acquisition of a car that was used locally to move sugar beets to the former Spreckles Sugar refinery on Riggs Road in Chandler.

The car is an ex-Southern Pacific 40-foot wood-sided

gondola, used exclusively for sugar beet transport, and is currently located at the Western Pacific Railroad Museum in Portola, California. That museum has decided to deaccession the car and is allowing the Arizona Railway Museum to take it without charge. Since the car is no longer capable of over-the-rail movement, it must be trucked from Portola to Chandler.

Goals: The total cost for this movement is estimated to be \$22,000.

WE ARE ASKING OUR MEMBERS (AND ANY OTHER INTERESTED PARTIES) TO CONTRIBUTE WHAT THEY CAN TO A FUND DEDICATED TO THE ACQUISITION OF THIS CAR. NO CONTRIBUTION IS TOO SMALL.

This is a special opportunity for us to acquire a car which contributed directly to the economic development of Chandler, thereby fitting perfectly with our Mission Statement. It *belongs* in our collection!
