

The Arizona Railway Museum and

**Amtrak proudly present,
National Train Day 2013**

See railcars rarely open to the public. Blow the horn on a diesel locomotive. You might even get to blow the whistle on a steam locomotive.

Visit with the Winslow Harvey Girls and see rare and beautiful railroad china.

See how these railcars are rescued so all can enjoy and remember the way we used to travel.

National Train Day May 11, 2013 9AM—4PM
